REQUEST FOR A FILING RECEIPT

Sir:

The United States Patent and Trademark Office is respectfully requested to issue a Filing Receipt for the above-identified provisional patent application. Upon review of the file, Applicants discovered that a Filing Receipt has not been received from the USPTO. Applicants presume that this is an oversight by the USPTO, and therefore request issuance of a Filing Receipt to complete Applicants' official file.

Applicants believe that no fee is due with this paper. However, if the Commissioner determines that a fee is necessary, the Commissioner is hereby authorized to charge such fees associated with this communication to Deposit Account No. 09-0108.

Respectfully submitted,

INCYTE GENOMICS, INC.
